

Premium Quality Apple Ber (Indian Jujube) for Global Export

About Our Apple Ber

We specialize in exporting premium quality Apple Ber (Indian Jujube) sourced directly from carefully selected farmers. Our fruits are cultivated using natural and sustainable farming practices to ensure superior taste, freshness, and export-grade standards.

Apple Ber is known for its crisp texture, natural sweetness, and attractive appearance, making it highly demanded in international markets.

Available Varieties

We offer different export-quality varieties based on seasonal availability:

Thai Apple Ber

Gola Variety

Umran Variety

Premium Export Grade Selection

Custom sorting and grading available as per buyer requirements.

Quality Assurance

Quality and consistency are our top priorities.

Direct sourcing from farmers

Naturally grown with minimal chemical use

Proper size grading (Small / Medium / Large / Extra Large)

Uniform round shape

Attractive green to light reddish color

Firm and crispy texture

Strict inspection before packing

Each lot is thoroughly checked to meet international export standards.

Freshness, Sweetness & Appearance

Our Apple Ber is harvested at the optimal maturity stage to ensure:

High natural sweetness

Crisp and juicy pulp

Fresh and firm skin

Long shelf life

Uniform size and color

We minimize post-harvest handling time to maintain maximum freshness and quality.

Packaging Options

Packaging is done strictly as per buyer specifications.

We offer:

2 kg / 5 kg / 10 kg export cartons

Ventilated corrugated boxes

Food-grade packing material

Bulk packing

Retail-ready packing

Private labeling and customized branding

Special care is taken to ensure safe international transportation and minimal damage.
