

## **Beetroot (Bit) – Premium Export Quality from India**

### **□ Product Overview**

We are a trusted exporter of premium quality Beetroot (Bit) from India. Our beetroot is known for its deep red color, natural sweetness, firm texture, and high nutritional value. Carefully sorted and graded, our produce meets international export standards and is suitable for fresh consumption as well as processing industries.

### **□ Sourcing Details**

Our beetroot is directly sourced from leading farming regions in India:

Maharashtra (Pune, Nashik, Ahmednagar)

Karnataka

Gujarat

Uttar Pradesh

These regions are known for fertile soil and favorable climate conditions that produce high-quality, uniform-sized beetroot.

We maintain direct partnerships with farmers to ensure consistent supply and export-grade quality.

### **□ Available Varieties**
