

Brinjal (Wangi / Eggplant) – Premium Export Quality from India

□ Product Overview

We are a trusted exporter of premium quality Brinjal (Wangi / Eggplant) from India. Our brinjals are fresh, glossy, tender, and carefully graded to meet international export standards. Known for their rich taste and uniform size, our produce is suitable for fresh consumption and culinary use.

□ Sourcing Details

Our brinjals are directly sourced from leading farming regions in India:

Maharashtra (Pune, Nashik, Sangli, Satara)

Karnataka

Gujarat

Andhra Pradesh

These regions provide fertile soil and favorable climatic conditions for high-quality brinjal production.

We ensure direct sourcing from farmers to maintain freshness and consistent supply.
