

Chickpeas / Chana Dal – Premium Export Quality from India

□ Product Overview

We are a trusted exporter of high-quality Chickpeas (Harbhara) and Chana Dal from India. Our products are carefully sourced, cleaned, graded, and processed to meet international export standards.

Chickpeas are widely used in food processing, flour milling (Besan), snack industry, and traditional cuisines across the world.

□ Sourcing Details

Our chickpeas are sourced from major pulse-producing states in India:

Madhya Pradesh (Largest producer)

Maharashtra

Rajasthan

Uttar Pradesh

Karnataka

We maintain direct farmer and mandi sourcing to ensure consistent supply and competitive pricing.
