

Premium Quality Fresh Chikoo (Sapota) for Global Export

About Our Chikoo

We specialize in exporting premium quality Fresh Chikoo (Sapota) sourced directly from trusted farming regions of India. Our chikoo is cultivated using natural and sustainable farming practices to ensure rich sweetness, smooth texture, and export-grade standards. Indian chikoo is highly appreciated in international markets for its caramel-like sweetness, soft pulp, and high nutritional value.

Sourcing Regions

Our chikoo is directly sourced from leading chikoo-growing belts such as:

Maharashtra (Dahanu, Palghar, Nashik, Pune Region)

Gujarat (Valsad Region)

Karnataka

We maintain strong relationships with selected farmers to ensure consistent quality and reliable seasonal supply.

Available Varieties

We supply the following export-quality varieties:

Kalipatti (Most Preferred Export Variety)

Cricket Ball Variety

Premium Export Grade Selection

Custom grading and sorting available as per buyer requirements.

Quality Assurance

Quality and consistency are our top priorities.

Direct sourcing from farmers

Proper size grading (Small / Medium / Large as required)

Uniform round shape

Smooth brown skin

Firm texture at dispatch stage

Strict pre-dispatch inspection

Each consignment is carefully checked to meet international export standards.

Sweetness, Texture & Shelf Life

Our chikoo is harvested at the optimal maturity stage to ensure:

High natural sweetness

Smooth and soft pulp after ripening

Attractive natural brown color

Good shelf life suitable for air shipment

Proper ripening performance at destination

We follow careful handling and grading to maintain maximum freshness.

Packaging Options

Packaging is done strictly as per buyer specifications.

We offer:

3 kg / 5 kg / 10 kg export cartons

Ventilated corrugated boxes

Individual fruit wrapping (if required)

Food-grade packaging materials

Bulk packing

Private labeling & customized branding

All packaging ensures safe transportation with minimal damage.
