

Cluster Beans (Gavar / Gavari) – Premium Export Quality from India

□ **Product Overview**

We are a reliable exporter of premium quality Cluster Beans (Gavar / Gavari) from India. Our cluster beans are fresh, tender, and carefully selected to meet international quality standards. They are widely used in cooking, processing, and industrial applications (Guar Gum production).

□ **Sourcing Details**

Our cluster beans are directly sourced from trusted farmers in:

Maharashtra (Solapur, Sangli, Ahmednagar)

Rajasthan

Gujarat

Karnataka

These regions are known for ideal dry climate and fertile soil conditions suitable for high-quality cluster bean production.

We ensure direct farm sourcing for consistent quality and supply.
