

Cucumber Powder – Premium Dehydrated Quality from India

□ Product Overview

We are a reliable exporter of high-quality Cucumber Powder from India. Our cucumber powder is produced from fresh, farm-sourced cucumbers that are carefully washed, sliced, dehydrated, and finely ground under hygienic conditions to retain natural nutrients and freshness.

Cucumber powder is widely used in cosmetic formulations, herbal supplements, skincare products, health drinks, and food processing industries.

□ Sourcing Details

Our cucumbers are sourced from leading vegetable-producing states:

Maharashtra

Karnataka

Gujarat

Madhya Pradesh

Telangana

We ensure proper dehydration processing to maintain natural color, aroma, and nutritional value.
