

Premium Quality Dragon Fruit for Global Export

About Our Dragon Fruit

We specialize in exporting premium quality Dragon Fruit sourced directly from selected farmers across India. Our fruits are cultivated using natural and sustainable farming practices to ensure superior taste, freshness, and export-grade quality.

We maintain strict quality control from harvesting to packaging, ensuring that our buyers receive only the best produce.

Available Varieties

We supply the following varieties of Dragon Fruit:

White Flesh Dragon Fruit (Hylocereus Undatus)

Red Flesh Dragon Fruit (Hylocereus Polyrhizus)

Premium Export Grade

Organic / Naturally Grown (As per availability)

Custom grading and sorting available as per buyer specifications.

Quality Assurance

Quality is our top priority.

Direct procurement from farmers

Naturally grown with minimal chemical use

Proper size grading (Small / Medium / Large)

Uniform shape and attractive color

Fresh harvesting at optimal maturity

Hygienic sorting and packing

Strict inspection before dispatch

Each batch undergoes careful quality checks to meet international export standards.

Freshness, Sweetness & Color

Our Dragon Fruits are harvested at the right stage to maintain:

Natural sweetness (High Brix Level)

Bright pink/red outer skin

Fresh and firm texture

Long shelf life

Excellent internal flesh color

We ensure quick post-harvest handling to preserve freshness and taste.

Packaging Options

Packaging is available strictly as per buyer requirements.

We provide:

Export-quality corrugated cartons

2 kg / 3 kg / 5 kg / 10 kg boxes

Bulk packing options

Retail-ready packing

Private labeling facility

Customized branding

All packaging is done using food-grade materials suitable for international shipping.
