

Garlic (Lahsun) – Premium Export Quality from India

□ Product Overview

We are a trusted exporter of premium quality Garlic (Lahsun) from India. Our garlic is known for its strong aroma, rich flavor, high pungency, and long shelf life. Carefully sorted and graded, our garlic meets international export standards and is suitable for fresh consumption, processing, and industrial use.

□ Sourcing Details

Our garlic is directly sourced from major garlic-producing regions in India:

Maharashtra (Nashik, Ahmednagar)

Madhya Pradesh (Neemuch, Mandsaur)

Gujarat

Rajasthan

These regions are known for producing bold-size, high-pungency garlic with excellent storage capacity.

We maintain direct farmer partnerships to ensure consistent quality and supply.
