

☐ **Green Chilli (Mirchi) – Premium Export Quality from India**

☐ **Product Overview**

We are a trusted exporter of premium quality Green Chilli (Mirchi) from India. Our green chillies are fresh, bright green, uniform in size, and carefully graded to meet international export standards. Known for their strong pungency, rich flavor, and long shelf life, our chillies are ideal for fresh markets and processing industries.

☐ **Sourcing Details**

Our green chillies are directly sourced from leading farming regions in India:

Maharashtra (Sangli, Kolhapur, Solapur)

Karnataka

Andhra Pradesh

Telangana

These regions are known for fertile soil and favorable climatic conditions, ensuring high-quality and pungent chillies.

We maintain direct farm partnerships to ensure consistent supply and competitive pricing.
