

Green Gram / Moong Dal – Premium Export Quality from India

□ Product Overview

We are a reliable exporter of high-quality Green Gram (Moong) and Moong Dal from India. Our products are carefully sourced, machine cleaned, graded, and processed under hygienic conditions to meet international export standards.

Moong is widely used in traditional cuisines, sprouts production, flour milling, snack processing, and ready-to-eat products.

□ Sourcing Details

Our moong is sourced from leading pulse-producing states:

Rajasthan

Maharashtra

Madhya Pradesh

Karnataka

Uttar Pradesh

We ensure direct sourcing from farmers and mandi networks to maintain consistent supply and competitive pricing.
