

Groundnut (Shendane / Peanut) – Premium Export Quality from India

□ Product Overview

We are a trusted exporter of premium quality Groundnut (Shendane / Peanut) from India. Our groundnuts are naturally cultivated, carefully cleaned, graded, and packed to meet international export standards. Known for their high oil content, rich taste, and nutritional value, our peanuts are suitable for oil extraction, snack processing, and food industries.

□ Sourcing Details

Our groundnuts are directly sourced from major groundnut-producing regions in India:

Gujarat (Jamnagar, Rajkot)

Maharashtra

Rajasthan

Tamil Nadu

Andhra Pradesh

These regions are known for producing bold-size, high oil-content groundnuts with excellent quality.

We maintain direct sourcing from farmers and mandi networks to ensure consistent supply and competitive pricing.

□ Available Varieties

We supply the following varieties based on buyer requirements:

1 □ Bold Peanuts

Large size kernels

High oil content

Suitable for roasting & snack industry

2 □ Java Peanuts

Small round size

Uniform kernels
