

Premium Quality Guava (Peru) for Global Export

About Our Guava

We specialize in exporting premium quality Guava (Peru) sourced directly from trusted farmers. Our guavas are cultivated using natural and sustainable farming practices to ensure superior taste, freshness, and export-grade quality.

Guava is widely known for its rich aroma, natural sweetness, nutritional value, and long shelf life, making it highly demanded in international markets.

Available Varieties

We offer the following export-quality varieties:

White Flesh Guava

Pink Flesh Guava

Allahabad Safeda

Lalit Variety

Premium Export Grade Selection

Custom grading and sorting available as per buyer specifications.

Quality Assurance

We maintain strict quality standards at every stage.

Direct sourcing from farmers

Naturally grown with minimal chemical use

Proper size grading (Small / Medium / Large / Extra Large)

Uniform shape and smooth skin

Fresh harvesting at optimal maturity

Hygienic sorting and packing

Strict quality inspection before dispatch

Each batch is carefully checked to meet international export standards.

Freshness, Sweetness & Color

Our guavas are harvested at the right stage to ensure:

Natural sweetness and rich flavor

High pulp quality

Fresh and firm texture

Attractive green outer skin

Excellent internal flesh color (White / Pink)

Good shelf life for export

We ensure fast post-harvest handling to maintain freshness and quality.

Packaging Options

Packaging is provided strictly as per buyer requirements.

We offer:

2 kg / 3 kg / 5 kg / 10 kg export cartons

Ventilated corrugated boxes

Food-grade packaging materials
