

## **Jaggery Powder – Premium Natural Sweetener from India**

### **□ Product Overview**

We are a trusted exporter of high-quality Jaggery Powder (Gul Powder) from India. Our jaggery powder is made from fresh sugarcane juice, processed under hygienic conditions without using harmful chemicals.

It is a natural and healthier alternative to refined sugar and is widely used in food processing, bakery products, beverages, Ayurvedic preparations, and traditional sweets.

### **□ Sourcing Details**

Our jaggery is sourced from leading sugarcane-producing regions in India:

Maharashtra

Karnataka

Uttar Pradesh

Tamil Nadu

Gujarat

We ensure controlled processing, proper drying, and fine grinding to maintain natural taste and nutritional value.
