

Kakadi

☐ **Cucumber (Kakadi) – Premium Export Quality from India**

☐ **Product Overview**

We are a trusted exporter of premium quality Cucumber (Kakadi) from India. Our cucumbers are carefully selected, naturally grown, and packed under strict quality control standards to meet international export requirements. Known for their crisp texture, refreshing taste, and high nutritional value, our cucumbers are ideal for fresh consumption and processing industries.

☐ **Sourcing Details**

Our cucumbers are directly sourced from progressive farmers in:

Maharashtra (Sangli, Nashik, Solapur)

Karnataka

Gujarat

These regions are known for fertile soil and favorable climatic conditions that ensure superior quality produce.

We maintain direct farm partnerships to ensure consistent supply, freshness, and competitive pricing.

☐ **Available Varieties**

We supply the following varieties based on season and buyer requirements:
