

Premium Quality Fresh Mosambi (Sweet Lime) for Global Export

About Our Mosambi

We specialize in exporting premium quality Fresh Mosambi (Sweet Lime) sourced directly from trusted farmers. Our mosambi is cultivated using natural and sustainable farming practices to ensure superior taste, freshness, and export-grade standards.

Mosambi is widely appreciated in international markets for its refreshing taste, high juice content, and nutritional benefits.

Available Varieties

We supply export-quality Mosambi based on seasonal availability:

Premium Export Grade

Naturally Grown Selection

Size-Based Grading (as per buyer requirement)

Custom sorting and grading available.

Quality Assurance

We maintain strict quality standards at every stage:

Direct sourcing from farmers

Naturally grown produce

Proper size grading (40mm – 85mm & above as required)

Uniform round shape

Smooth and light green to yellowish skin

High juice percentage

Strict inspection before packing

Each lot is carefully checked to meet international export quality norms.

Freshness, Sweetness & Juice Content

Our Mosambi is harvested at the optimal maturity stage to ensure:

High natural sweetness (Balanced Brix level)

Refreshing mild flavor

Rich juice content

Attractive natural color

Longer shelf life

We ensure quick post-harvest handling to preserve maximum freshness and nutritional value.

Packaging Options

Packaging is provided strictly as per buyer specifications.

We offer:

5 kg / 10 kg / 15 kg export cartons

Ventilated corrugated boxes

Food-grade packing materials

Bulk packaging

Retail-ready packing

Private labeling and customized branding

All packaging ensures safe international transportation and minimal damage.
