

Mustard Seeds (Mohari / Rai) – Premium Export Quality from India

□ Product Overview

We are a trusted exporter of premium quality Mustard Seeds (Mohari / Rai) from India. Our mustard seeds are naturally cultivated, carefully cleaned, and graded to meet international export standards. Known for their strong aroma, high oil content, and rich flavor, mustard seeds are widely used for oil extraction, spice processing, and food industries.

□ Sourcing Details

Our mustard seeds are directly sourced from major mustard-producing regions in India:

Rajasthan

Madhya Pradesh

Uttar Pradesh

Gujarat

Haryana

These regions are known for producing high oil-content mustard seeds with excellent purity levels.

We maintain direct sourcing from farmers and mandi networks to ensure consistent supply and competitive pricing.

□ Available Varieties

We supply the following varieties based on buyer requirements:

1□ Yellow Mustard Seeds

Mild flavor

Light yellow color

Used in sauces & food processing

2□ Black Mustard Seeds

Strong pungency

Dark black color

High oil content
