

Sesame Seeds (Til) – Premium Export Quality from India

□ Product Overview

We are a trusted exporter of premium quality Sesame Seeds (Til) from India. Our sesame seeds are naturally cultivated, carefully cleaned, and graded to meet international export standards. Known for their high oil content, rich aroma, and nutritional value, our sesame seeds are widely used in oil extraction, bakery, confectionery, and food processing industries.

□ Sourcing Details

Our sesame seeds are directly sourced from leading sesame-producing regions in India:

Gujarat

Rajasthan

Maharashtra

Madhya Pradesh

Uttar Pradesh

These regions are known for producing high oil-content sesame seeds with excellent purity levels.

We maintain direct sourcing from farmers and mandi networks to ensure consistent supply and competitive pricing.

□ Available Varieties
